

Instructions to Join

Attending a Newswise Live event, such as Fast Pitch, is fast and easy. You may participate from a PC, Mac, iPad, iPhone, or Android device. The device you use should have a webcam (internal or external).

First, download a simple app (or plugin) by clicking this link:

<https://zoom.us/support/download>

Once the software is on your computer, or the app is on your mobile device, join the meeting room by clicking this link: <https://newswiselive.zoom.us/j/7459578068>

If prompted for the meeting ID, enter: 745 957 8068.

Please send any questions to live@newswise.com.
