

**FOR IMMEDIATE RELEASE**

**Anurag Singh and Sharada Singh of Education Management Solutions, LLC Are Finalists in the Entrepreneur Of The Year 2019 Greater Philadelphia Awards Program**

*The Singhs are among the most innovative entrepreneurs in the educational technology industry worldwide.*

EXTON, PA (June 19, 2019) – Anurag Singh, CEO, and Sharada Singh, COO, of [Education Management Solutions, LLC \(EMS\)](#) were recently announced as finalists in the Entrepreneur Of The Year 2019 Greater Philadelphia Awards program.

EMS, a Minority and Woman-owned Business Enterprise (M/WBE), has been an industry pioneer in video and content management solutions for healthcare training environments for over 25 years. Founder-owners Anurag and Sharada Singh exemplify the company motto of “One Company – One Team,” and the internal core value of “Quality and Innovation.”

Anurag says, "It's an honor that Sharada and I are among this year's Greater Philadelphia Entrepreneur Of The Year finalists. We have worked diligently to establish a company-wide dedication to innovation which has fueled our constant growth. As we move forward into the future, we will continue to leverage the best advantages of new technology, such as Artificial Intelligence, and drive innovation further into medical education."

"At EMS, the customer always comes first, and every employee is customer facing," says Sharada. "A culture of customer service has led to an environment of technical creativity, innovation, and teamwork. This culture is reflected in a persistent flow of ground-breaking medical education technology. Innovation is second nature to EMS, and we partner with our customers to scale and implement new technologies and workflows that make a real difference in the quality of medical education."

Throughout the medical simulation industry, EMS is renowned for innovation and the ability to leverage the best of cutting-edge technology to drive customer and learner success. Most recently, EMS launched a new learning environment designed to drive engagement across remote learning populations, enhance learning opportunities, remove geographical barriers, and foster team based virtual learning.

Anurag was also nominated as an Entrepreneur Of The Year Greater Philadelphia Awards program finalist in 2017. As the world's most prestigious business award for entrepreneurs, Entrepreneur Of The Year has been at the forefront of identifying game changing business leaders for more than 33 years. The Entrepreneur Of The Year program takes place in more than 145 cities in 60 countries around the world, and recognizes entrepreneurs who demonstrate excellence and extraordinary success in areas such as financial performance, innovation and commitment to their businesses and communities.

EMS is honored to have Anurag and Sharada recognized among so many other notable business innovators in Greater Philadelphia!

**About Education Management Solutions (EMS)**

EMS is an industry pioneer in simulation-based solutions for healthcare training environments ranging from clinical simulation management software and hardware, to counselor education, case authoring and virtual patient training. Working alongside subject matter experts, EMS serves as the driving force behind numerous consumer-centered innovations that continue to move the clinical simulation market forward with breakthrough technologies.

As the leader in simulation management technology since its founding in 1994, EMS offers complete turnkey solutions that include integrated software and hardware, design and planning, engineering, configuration, installation, training, file backup, cloud-based eLearning, and support.
