Vintage Charm

Neighborhood

- Majority non-white
- Predominantly white
- White/Asian
- White/Black
- White/Latinx
- White/Mixed
- Mixed

Neighborhoods with two races or groups in the legend mean the first race is the largest group in that neighborhood and the second race or group is the second largest in that neighborhood. (i.e. "White/Black" means that white people make up the largest group in the neighborhood while Black people make up the second largest group in the neighborhood.)
