

**ISFR
2022**

11th International Symposium on Feedstock Recycling of Polymeric Materials 2022

📍 Nongnooch Garden, Pattaya, Chonburi, Thailand

📅 November 29 – December 2, 2022

Keynote Speakers

Prof. Dr. Tohru Kamo

Waseda University
Recycling Technology for Plastics in
a Sustainable Society

Mr. Natthanun Sirirak

PTT Global Chemical PCL
Mechanical Recycling
of Plastics

Prof. Dr. Hisayuki Nakatani

Nagasaki University
Fragmentation Mechanisms of
Microplastics and Their Distribution
Behaviors in the Sea Near Nagasaki

Dr. Attapong Thirasak

SCG Chemicals PLC
Catalytic Upgrading of Alternative
Pyrolysis Oil

Prof. Dr. Tharapong Vitidsant

Chulalongkorn University
Liquid Fuels for Electricity Generation
from Waste Vegetable Oil and Animals
Fat by Catalytic Pyrolysis in
Continuous Screw Pilot Reactor

Prof. Dr. Kotohiro Nomura

Tokyo Metropolitan University
Synthesis and Chemical Recycling of
Bio-based Polymers from Plant Oil

**Special
Session**

5-19 ERCA: Technological Development and Policy Research for the Development of Plastic Resource Recycling and the Introduction of Bio-resource Materials

CALL FOR ABSTRACTS

Important Dates

- Registration / Abstract Submission Open / **May 1**
- Abstract Submission Deadline / **September 30**
- Notification of Abstract Acceptance / **October 10**
- Early Registration Deadline / **October 7**

Registration Fee (Baht)

Category	Early	After Oct. 7
Academic/Industrial	19,800	23,400
Post-doc/Student	12,000	14,200
Accompanying Person		14,200

Deadline for Abstract Submission Extended to September 30, 2022
